

WHERE ARE THE 2019 FIELD SCHOOLS??

Calling all information on Oregon
based or Oregon University &
College hosted archaeological
field schools!

(Field School does not need to be located in Oregon)

Email us information at
assocoregonarchaeologists@gmail.com

The AOA wants to know where and when this summer's field schools are taking place so we can push this information to students. Any flyers, information, or websites we can reference to through social media and our website would be helpful. Let us help in spreading the word!
